Committee

A Special General Meeting has been called for the 15th October 2009 7.00 p.m.

A Special General Meeting is any meeting of club members other than the Annual General Meeting. In this case the meeting is called to address the critical vacancies in the committee. This is your club. You need to help make it work for you.

2009 Summer Criterium Series

Our popular Tuesday evening series begins on 13th October. Criterium racing provides a golden opportunity to practice bunch riding under race pressure with the added bonus of training sprint repeats.

Ray Sheath of **Full cycle** has once again agreed to sponsor this series. The competition for prize money is always hard-fought but remains good natured. A great attitude of friendly rivalry pervades each Tuesday evening.

A new 'D' grade has been added this year to reduce B and C grade bunch sizes and to cater for a wider range of rider skills. Separate prize money will not be paid for women and girls, please choose the right grade. "Burglars" will be bumped up.

Details at <http://www.nhcc.org.nz/events.html>.

2009 Winter Road Series

Unfortunately the last race of the series was cancelled due to a lack of entries. Final results are available at <http://www.nhcc.org.nz/Results.html>.

2010 Licences

Licensing for 2010 is now open. The application form will be updated shortly, but if you need a licence urgently use this one from 2009, just make it clear your application is for next year. <http://www.nhcc.org.nz/membership.html>

Auckland Centre News
