2009 Summer Criterium Series - pre season

### RaceReport:

Once again an excellent turnout for tonight's race in very windy conditions.

Several riders forgot their numbers tonight and were charged \$5 for a new one. Please don't forget your number. If you paid the \$5 tonight you will get your entry free when you return your number next week.

An unfortunate accident in the novice grade race put a bit of a damper on things. Anyone who knows the youngsters involved, please let me know how they are getting on. Congratulations to Ellen, Bryony and Ella who will all ride 'D' grade next week.

A considerable delay waiting until the ambulance could clear the course led to shortening all subsequent races by sprinting on every lap and combining the A and B grades. Fun!

Placegetters in 'D' and 'C' grades will ride up a grade next week. All the 'B' grade riders who took points in the combined AB race should really be riding in 'A' grade next week.

From week 4, points will be accumulated for the series, but any obvious burglars will be asked to ride up a grade. Remember, the training value of this series far exceeds any prize money you might win, but only if you are challenging yourself!
