2009 Summer Criterium Series - pre season

RaceReport:

A good evening's racing albeit very windy and cold. All races started on time. Just a reminder that marshalls are required at several points around the track to ensure the safety of the riders. It is pleasing to see the points being spread among lots of riders in most grades. Those of you who 'cleaned up' tonight need to move up a grade. If you got lapped by the bunch by all means take a step down but I think most riders are now in their correct grade. Series points start to accumulate from next week.
